For the purposes of this Resolution:

(a) ‘rights issue’ has the same meaning as in Resolution 16 above;

(b) ‘pre-emptive issue’ means an offer of equity securities open for acceptance for a period fixed by the Directors to holders (other than the Company) on the register on a record date fixed by the Directors of ordinary shares in proportion to their respective holdings but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory;

(c) references to an allotment of equity securities shall include a sale of treasury shares; and

18. That, if Resolution 16 is passed, the Directors be authorised in addition to any authority granted under Resolution 17 to allot equity securities (as defined in the Companies Act 2006 (the ‘Act’)) for cash under the authority given by Resolution 16 and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be:

(a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £7,430,910; and

(b) used only for the purposes of financing (or refinancing), if the authority is to be used within six months after the original transaction a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice, such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, the close of business on 31 January 2022 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

19. That the Company be and is hereby unconditionally and generally authorised for the purpose of Section 701 of the Companies Act 2006 (the ‘Act’) to make market purchases (as defined in Section 693 of the Act) of ordinary shares of 37.5p each in the capital of the Company on such terms and in such manner as the Directors may determine provided that:

(a) the maximum number of shares which may be purchased is 39,631,524;

(b) the minimum price which may be paid for each share is 37.5p;

(c) the maximum price (exclusive of expenses) which may be paid for an ordinary share shall not be more than the higher of: (i) an amount equal to 105% of the average middle market quotations for an ordinary share, as derived from the London Stock Exchange Daily Official list, for the five business days prior to the day on which the ordinary share is purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading system (‘SETS’);

(d) this authority shall expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, the close of business on 31 January 2022; and

(e) a contract for the purchase of shares under this authority may be made before the expiry of this authority and concluded wholly or partly after the expiry of this authority.

20. That a general meeting other than an Annual General Meeting may be called on not less than 14 clear days’ notice.

21. That, in accordance with Part 14 of the Companies Act 2006 (the ‘Act’), the Company and every other company which is now or may become a subsidiary of the Company at any time during the period during which this resolution is in force is hereby authorised to make donations and incur expenditure under each and any of the following heads:

(a) donations to political parties or independent election candidates;

(b) donations to political organisations other than political parties; and

(c) political expenditure, up to an aggregate amount of £50,000 and the amount authorised under each of paragraphs (a), (b) and (c) shall also be limited to such amount.

The authority hereby conferred shall expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, the close of business on 31 January 2022.

All existing authorisations and approvals relating to political donations or expenditure under Part 14 of the Act are hereby revoked without prejudice to any donation made or expenditure incurred prior to the date hereof pursuant to such authorisation or approval.

For the purposes of this resolution, the terms ‘political donations’, ‘political parties’, ‘independent election candidates’, ‘political organisations’ and ‘political expenditure’ have the meanings set out in Sections 363 to 365 of the Act.

The notes on the following pages provide an explanation of the proposed resolutions.

Resolutions 1 to 16 and 21 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 17 to 20 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

**Recommendation**
Your Directors believe that all the proposals to be considered at the Annual General Meeting (the ‘AGM’) are in the best interests of the Company and its shareholders as a whole, and recommend shareholders to vote in favour of the resolutions. The Directors intend to vote in favour of the resolutions in respect of their own beneficial holdings.

**Resolution 1: Adoption of reports and accounts**
The Directors must present the reports of the Directors and the accounts of the Company for the year ended 31 July 2020 to shareholders at the AGM. The reports of the Directors (including the Strategic Report), the accounts, and the report of the Company’s auditors on the accounts and on those parts of the Directors’ Remuneration Report that are required to be audited are contained within the FY2020 Annual Report.

**Resolution 2: Approval of Directors’ Remuneration Report**
Under Section 420 of the Companies Act 2006 (the ‘Act’), the Directors must prepare a remuneration report detailing the remuneration of the Directors and containing a statement by the Chair of the Remuneration Committee. The Act also requires that a resolution be put to shareholders each year for their approval of that report. This is an advisory resolution only.

**Resolution 3: Declaration of final dividend**
In March 2020, the Board considered it prudent not to declare an interim dividend for HY2020 until such time as trading conditions became clearer and there was less uncertainty. Reflecting the Group’s strong performance and financial position, the Board is now recommending a total dividend of 35 pence per share for the year. This reflects a delayed interim dividend of 11 pence and a proposed final dividend of 24 pence. In Resolution 3, shareholders have been asked to approve the final dividend, as a final dividend can only be paid after the shareholders have approved it at a general meeting. If the final dividend is approved, it will be payable, along with the interim dividend, on 20 November 2020 to shareholders on the register of members at 6.00pm on 23 October 2020 (the record date).

From November 2019 Smiths stopped issuing dividend cheques. In order to have dividends paid directly to your bank or building society account please contact Equiniti for a copy of the Bank Mandate Form if you have not already done so.

**Resolutions 4 to 13: Election and Re-election of Directors**
Pam Cheng and Karin Hoeing were appointed to the Board since the last AGM and, in accordance with the Company’s Articles of Association, will retire and stand for election at the AGM.

**Resolution 14 and 15: Re-appointment and remuneration of KPMG LLP as auditor**
The Board, on the advice of the Audit & Risk Committee (summarised in the Audit & Risk Committee Report on page 106 of the FY2020 Annual Report), recommends the reappointment of KPMG LLP as auditors, to hold office until the next meeting before which the accounts are laid (Resolution 14).

Resolution 15 authorises the Audit & Risk Committee to determine the remuneration of KPMG LLP for their services as auditors.

**Resolution 16: Authority to allot shares**
The purpose of Resolution 16 (the ‘allotment resolution’) is to renew the Directors’ power to issue and allot new shares in the Company.

The authority in paragraph (a) of Resolution 16 will allow the Directors to allot new shares in the Company or to grant rights to subscribe for or convert any security into shares in the Company up to a nominal value of £49,539,406, which is equivalent to approximately one third of the nominal value of the ordinary share capital of the Company in issue on 28 September 2020. The authority in paragraph (b) will allow Directors to pre-emptively allot new shares or to grant rights to subscribe for or convert any security into shares in the Company only in connection with a rights issue up to a further nominal value of £49,539,406, which is equivalent to approximately one third of the nominal value of the ordinary share capital of the Company in issue at 28 September 2020.
RESOLUTIONS 17 AND 18: DISAPPLICATION OF PRE-EMPTION RIGHTS

The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities.

Resolution 17 authorises Directors to allot new shares (or sell treasury shares) for cash, without the shares first being offered to existing shareholders in proportion to their existing holdings, in connection with the financing or refinancing, if the authority is to be used within six months after the original transaction, of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority under Resolution 18 is limited to a nominal value of £7,430,910, equivalent to approximately 5% of the nominal value of the ordinary share capital of the Company in issue on 28 September 2020.

Taken together, the allotment resolution and the disapplication of pre-emption rights resolutions will allow the Directors to issue new shares for cash or sell treasury shares without offering the shares first to existing shareholders in proportion to their existing holdings under the following circumstances:

(a) in connection with a rights issue or other pre-emptive issue, with a nominal value equivalent to two-thirds of the present issued share capital (which will allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders);

(b) for any other purpose, with a nominal value equivalent to 5% of the present issued share capital; and

(c) in connection with the financing or refinancing of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment, with a nominal value equivalent to 5% of the present issued share capital but subject to an overall aggregate limit equivalent to two-thirds of the present issued share capital.

The Directors intend to adhere to the provisions in the Pre-Emption Group’s statement of Principles, as updated in March 2015, and not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 17 either in excess of an amount equal to 5% of the total issued ordinary share capital of the Company (excluding treasury shares) or in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, without prior consultation with shareholders.

The Directors consider it desirable and believe it appropriate to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable non-pre-emptive allotments to take place to finance business opportunities.

If the resolutions are passed, the authorities will expire on the earlier of the close of business on 31 January 2022 and the end of the AGM due to be held in 2021.

Resolution 18 additionally authorises the Directors to allot new shares (or sell treasury shares) for cash, without the shares first being offered to existing shareholders in proportion to their existing holdings, in connection with the financing or refinancing, if the authority is to be used within six months after the original transaction, of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The allotment and the disapplication of pre-emption rights resolutions comply with the Share Capital Management Guidelines issued by the Investment Association in July 2016 and the disapplication of pre-emption rights resolutions follow the resolution templates issued by the Pre-Emption Group in May 2016.

If the resolutions are passed, the authorities will expire on the earlier of the close of business on 31 January 2022 and the end of the AGM due to be held in 2021.

As at 28 September 2020, the Company did not hold any treasury shares. If the Company were to create treasury shares, e.g. through the market purchase of its own shares, the subsequent sale of any treasury shares (or the use of treasury shares to satisfy obligations under the Company’s share schemes and plans) would be counted as equivalent to the issue of new shares for the purpose of the limitations on the issue of new shares included in the allotment resolution and disapplication of pre-emption rights resolutions.

RESOLUTION 19: PURCHASE OF OWN SHARES

The effect of this resolution is to renew the authority granted to the Company to purchase its own ordinary shares, up to a maximum of 39,631,524 ordinary shares, until the AGM due to be held in 2021 or the close of business on 31 January 2022, whichever is the earlier. This represents approximately 10% of the number of ordinary shares in issue as at 28 September 2020 and the Company’s exercise of this authority is subject to the stated upper and lower limits on the price payable, which reflect the requirements of the UKLA Listing Rules.

Under the Act, the Company can hold shares which have been purchased as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes.
The Directors believe that it is desirable for the Company to have these choices available, as holding the purchased shares as treasury shares would give the Company the ability to re-sell or transfer them in the future and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on and no voting rights will be exercised in respect of treasury shares.

However, it is not the Company’s present intention to hold shares in treasury, in the event that any shares were to be purchased under this authority. Shares will only be purchased if the Directors consider such purchases to be in the best interests of shareholders generally and that they can be expected to result in an increase in earnings per share. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company.

Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury). If any shares purchased by the Company are held in treasury and used for the purposes of its employee share schemes, the Company will count those shares towards the limits on the number of new ordinary shares which may be issued under such schemes. As at 28 September 2020, there were 5,662,610 outstanding options and awards, granted under all share schemes operated by the Company, which, if vested, would represent 1.43% of the issued ordinary share capital of the Company. If the authorities to purchase the Company’s own shares (both existing and sought) were exercised in full, that percentage would increase to 1.79%.

For the purpose of these calculations, it has been assumed that (i) all the outstanding options under the Sharesave Scheme and all the conditional share awards under the Long Term Incentive Plan, the Restricted Share Plan and the Excellence Plan will only be determined at their applicable vesting dates, subject to the satisfaction of the performance conditions and other requirements at those times.

With regard to the authorities sought under Resolutions 16 to 19, the Directors’ intention would be to exercise the authorities given to them by the resolutions in accordance with the Share Capital Management Guidelines issued by the Investment Association in July 2016.

Resolution 20: Notice of general meetings
Under the Act, the Company may call a general meeting, other than an AGM, by giving 14 days’ clear notice to shareholders. Under the Companies (Shareholders’ Rights) Regulations 2009 this period is extended to 21 clear days unless the Company has obtained shareholder approval for a shorter period.

This resolution would maintain the current position as agreed by shareholders at the 2019 AGM. The shorter notice period would not be used as a matter of routine but only where the flexibility was merited by the business of the meeting and was thought to be in the interests of shareholders as a whole. AGMs will still require at least 21 clear days’ notice.

Resolution 21: Political donations
Part 14 of the Act requires companies to obtain shareholders’ authority for donations to registered political parties and other political organisations in the EU totaling more than £5,000 in any twelve month period, and for any political expenditure in the EU, subject to limited exceptions. The definition of donation in this context is very wide and extends to bodies such as those concerned with policy review, law reform and the representation of the business community. It could include special interest groups, such as those involved with the environment, with the Company and its UK subsidiaries might wish to support, even though these activities are not designed to support or influence support for a particular party.

It is the policy of the Company not to make political donations or incur political expenditure in the EU as those expressions are normally understood. However, to avoid inadvertent infringement of the Act, the Directors are seeking shareholders’ authority for the Company and its UK subsidiaries (by virtue of the Act, the term ‘subsidiary’ in Resolution 21 is a reference to each UK subsidiary of the Company) to make political donations and to incur political expenditure in the EU for the period from the date of the AGM to the conclusion of next year’s AGM up to a maximum aggregate amount of £50,000.

General notes
These notes should be read in the light of the arrangements for this year’s AGM described in the ‘Further information about the AGM’ section on page 11, which include that anyone seeking to attend in person, other than those designated to form the quorum, will be refused entry.

1. The statutory Report and Accounts for Smiths Group plc for 2020 are called the FY2020 Annual Report. The Directors’ Remuneration Report for 2020, which includes a summary of the Directors’ Remuneration Policy, is contained in the FY2020 Annual Report. The first two items of business at the AGM relate to the approval of (1) the statutory Report and Accounts for 2020; and (2) the Directors’ Remuneration Report for 2020. Shareholders who have not elected to receive the FY2020 Annual Report in printed form may obtain copies by writing to the Secretary, Smiths Group plc, 4th Floor, 11-12 St James’s Square, London SW1Y 4LB (e-mail: secretary@smiths.com) or by downloading them from the Company’s website (www.smiths.com). Shareholders who wish to receive the printed FY2020 Annual Report (free of charge) in future years should write to the Company’s Registrar, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, quoting Reference 0282.

2. Members are entitled to appoint a proxy to exercise their right to vote electronically and may also elect proxies to submit questions on their behalf at the meeting (although such questions will not form part of the legal business of the AGM as further explained in the ‘Further information about the AGM’ section on page 11). A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. If a proxy is submitted without indicating how the proxy should vote on any resolution, the proxy will exercise his or her discretion as to whether and, if so, how he or she votes.

3. If you would like to submit your vote electronically in advance of the AGM, you can submit your instruction by visiting sharevote.co.uk. You are advised to read the terms and conditions of use.
All advance electronic proxy votes should be submitted by no later than 2.30pm on 14 November 2020.
If you return paper and electronic instructions, those received last by the Registrar before 2.30pm on 14 November 2020 will take precedence. Electronic communication facilities are available to all shareholders and those that use them will not be disadvantaged.

4. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Equiniti Limited on 0371 384 2943 if calling from the UK. From outside the UK, call the Equiniti overseas helpline on +44 121 415 7047. Shareholders wishing to appoint a proxy and register their proxy votes electronically ahead of the meeting should visit the website www.sharevote.co.uk. The on-screen instructions will give details on how to complete the appointment and voting process. To be effective, electronic proxy appointments and voting instructions must be received before 2.30pm on 14 November 2020 (or, in the event of an adjournment, not later than 48 hours before the time of the adjourned meeting).

5. In order to be valid any proxy form or other instrument appointing a proxy must be received by one of the following methods:
   (a) in hard copy form using the reply-paid envelope or otherwise by post (in which case postage will be payable), courier or (during normal business hours only) by hand to the Company’s registrar, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA;
   (b) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
   (c) by appointing and registering the proxy vote electronically by visiting www.sharevote.co.uk (the on-screen instructions will give details on how to complete the appointment and voting process).

Important: in any case, a proxy form must be received by the Company before 2.30pm on 14 November 2020 (or, in the event of an adjournment, not later than 48 hours before the adjourned meeting).

6. The return of a completed proxy form, other such instrument, any CREST Proxy Instruction (as described in paragraph 10 below) or the appointment of a proxy electronically will not prevent a shareholder voting electronically at the AGM if he or she wishes to do so.

7. Any person to whom this notice is sent who is a person nominated under Section 146 of the Act to enjoy information rights (a ‘Nominated Person’) may, under an agreement between him/her and the shareholder by whom he or she was nominated, have a right to be appointed (have someone else appointed) as a proxy of that shareholder for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

8. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 and 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company. If you have been nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the Act, writes to you directly for a response.

9. In order to be entitled to vote at the AGM or any adjourned meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 2.30pm on 14 November 2020 (or, in the event of any adjournment, 6.30pm on the date which is two days before the time of the reconvening of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the meeting.

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a ‘CREST Proxy Instruction’) must be properly authenticated in accordance with Euroclear’s specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer’s agent (IDRA19) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the stamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members (and, where applicable, their CREST sponsors, or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his or her CREST sponsor of voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting system providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

In addition, a copy of the Company’s Articles of Association is available on our website.

17. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. The results of the voting at the general meeting will be announced through a Regulatory Information Service and will appear on our website, www.smiths.com, on Monday, 16 November 2020 or shortly thereafter.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Act. The question facility will not constitute attendance or participation on the part of the shareholder in the legal proceedings of the AGM. The Company may cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or
