Introduction

The primary role of the Board is to lead Smiths in a way that ensures its long-term success. The Board is responsible for approving Group strategy and for overseeing its implementation. Subject to applicable legislation and regulation and the Articles of Association, the Directors may exercise all powers of the Company.

The Board exercises oversight of our Company and in doing so ensures that the strategy is consistent with our Purpose and is delivered in line with our Values. In support of protecting and growing stakeholder value the Board continually monitors the internal controls, risk management and viability of the Company, as well as considering the views of stakeholders.

The Board has approved a governance framework of systems and controls to effectively discharge its collective responsibility. The framework includes the delegation of specific authorities to the Board's four Committees. Each committee operates under its own terms of reference together with a set of terms applicable to all the Committees. The terms have been tailored to support the Board and to enable more detailed, deeper-dive reviews to be undertaken in particular areas when required. Their differing responsibilities are set out in summary below. For full details please click on the relevant terms of reference

D. Authority

4. The remuneration of the Non-executive Directors is a matter for consideration by a sub-committee of the Board, consisting of the Chair of the Board and the Executive Directors.

E. Annual General Meeting

5. The Chair of the Committee shall ensure that each year a report of the Company's remuneration practices is put to shareholders for approval at the AGM, and that the Company's remuneration policy is put to shareholders for approval at the AGM at least every three years, or more frequently if there are significant amendments to that policy.

F. Duties

Remuneration

6. The Committee shall:

- (a) design, determine and recommend to the Board the remuneration policy, including any pension benefits and compensation payments, of the Chair of the Board, the Executive Directors and senior management, including the Company Secretary. The objective of such policy shall be to attract, retain and motivate executive management of the quality required to run the Company successfully without paying more than is necessary, having regard to views of shareholders and other stakeholders;
- (b) ensure the remuneration policy promotes the long-term sustainable success of the Company having regard to the Company's culture and risk appetite and clearly linked to the successful delivery of the Company's long-term strategy, including environmental, social and governance metrics;
- (c) ensure the remuneration policy enables the use of discretion to override formulaic outcomes and to recover and/or withhold sums or share awards under appropriate specified circumstances. A significant proportion of remuneration should be structured so as to link rewards to corporate and individual performance;
- (d) set individual remuneration arrangements for the Chair of the Board, the Executive Directors and senior management, taking into account, amongst other things: the total remuneration package; relevant legal and regulatory requirements and the matters set out in the UK Corporate Governance Code ("the Code"); remuneration trends; individual performance; pay and workforce policies, practices and conditions across the Company as a whole; overall market positioning of the remuneration package; individual base salaries and increases; and annual and long-term incentive/bonus arrangements. In addition, the Committee shall set the relevant targets for performance related schemes (subject to the rules of the schemes) and other benefits as well as pension arrangements;
- (e) consider the Code requirements for clarity, simplicity, risk mitigation, predictability and proportionality and alignment to culture when determining executive director remuneration policy and practices;
- (f) ensure that all payments to Directors are consistent with the latest shareholder approved remuneration policy or are otherwise approved separately by shareholders;
- (g) approve the service contracts of all Executive Directors, including termination arrangements, and ensure that any compensation payable (including pension and long term incentive matters) on such termination is fair to the individual and the Company, and that failure is not rewarded and that the duty to mitigate loss is fully recognised;

- (h) approve any benefit, pension and/or incentive scheme entitlement, any other bonuses and fees, and a formal policy for post-employment shareholding requirements of all Executive Directors;
- (i) review workforce remuneration and related policies and the alignment of incentives and rewards with culture, taking these into account when setting the policy for Executive Director remuneration;
- (j) oversee any major changes in employee benefits structures throughout the Group;
- (k) annually review the on-going appropriateness and relevance of the remuneration policy;
- (l) review the terms of any new share scheme; and
- (m) agree the policy for authorising claims for expenses from the Chair of the Board and Chief Executive Officer.

It is expected that Executive Committee members will be determined to be “senior management” for the purpose of these Terms of Reference. In addition to Executive Committee members, the Committee may, at its discretion and after consultation with the Chair of the Nomination & Governance Committee and the Chief Executive Officer, decide which other executives are also determined to be senior management.

 - (b) periodically determine the appropriate balance between the maximum number of options that may be granted under the All-employee Schemes, and any other relevant option and equity participation schemes, and the number of options in existence from time to time and provide the Share Schemes Committee with guidelines on scaling-down options; and
 - (c) review the design of all All-employee Schemes for approval by the Board and, where required, shareholders, and exercise the powers of the Board to amend or vary the All-employee Scheme’s terms, conditions and rules.
9. In respect of the Smiths Group Long Term Incentive Plan, Smiths Group Restricted Stock Plan and the Smiths Group Deferred Bonus Plan and any

successor schemes (together, the “Executive Incentive Plans”) the Committee shall:

- (a) approve the grant of options and awards under the Executive Incentive Plans to employees selected by, and subject to such conditions as may be approved by, the Committee;
- (b) exercise the powers of the Board in relation to all matters under the Executive Incentive Plans, including the power to amend or vary the terms, conditions and rules of the Executive Incentive Plans; and
- (c) exercise the discretionary powers of the Board under the rules of the Executive Incentive Plans regarding the remuneration outcome for individuals or groups of individuals within the parameters approved by shareholders in the remuneration policy and the terms or rules of any share or performance related plan or scheme in operation from time to time. For the avoidance of doubt, the Committee may within these parameters amend any previous exercise of discretion if the circumstances or information on which it based that decision are subsequently found to have changed or been incorrect.

10. The Committee shall consider and review the terms of any other equity plans, and give due consideration to laws, regulations, guidelines and recommendations regarding the formation and operation of share schemes.
